Intake Instructions:

Shake well. Take on empty stomach in water or juice, twice a day. Start with 3 drops and increase as tolerated to optimal dose by weight, below. Continue optimal dose for 2 weeks. Discontinue for 1 week. Resume optimal dose for 2 additional weeks. Cleanse is complete. Under 40lbs: 1 dropper (26 drops) 40 -75 lbs: 2 droppers (52 drops) 76 -115 lbs: 4 droppers (104 drops) 116 -150 lbs: 6 droppers (156 drops) Over 150 lbs: 8 droppers (208 drops)

As with all herbals, after the first dose wait to see if there is stomach upset. If there is no reaction within one hour, proceed. If there is a mild stomach reaction, take dose with food.

If pregnant or nursing, consult a health care provider. Keep out of reach of children.
